**Attention: Craig Brennan, School District No. 57 Board of Education Chair**

Dear Mr. Brennan and School Board Trustees,

I hope this letter finds you in good health and spirits. I am writing to kindly request information regarding the current student enrollment numbers for Métis students in our district. Additionally, I would appreciate details on how the Indigenous targeted funds, generated by Métis students, are being allocated and utilized to support their educational needs.

The well-being and academic success of Métis students are of great importance to our community. Transparency and collaboration in this matter will greatly enhance our collective efforts to foster an inclusive and supportive educational environment.

Thank you for your attention to this request. I look forward to your response and am hopeful that we can work together to ensure the best outcomes for our Métis students.

Sincerely,

Amanda Sopel, Secretary-Treasurer  
Lead Director Responsible for Education Portfolio
