Good morning,

On behalf of the President's Office, Geoff Payne would like to invite you to the 2025 UNBC President's Scholars Reception.

The event will be a celebration of Northern BC UNBC Scholars Award recipients, one of UNBC's largest scholarships. At the event, this year's newest cohort of Scholars will be recognized and receive a framed poster of their portrait and testimonial. The same poster is sent to their high school and School District, in hopes that their likeness and words will inspire future generations of students at their same school.
