Re: Letter of Support

We fully support the Prince George Métis Community Association (PGMCA) with their efforts to showcase and share Métis culture through their proposed BC Jigging Competition event scheduled for May 2025. Currently, 2500 registered Métis citizens in Prince George are excited about this opportunity to engage and share their culture with those who live, work, play, and visit Prince George.

PGMCA is a chartered community of Métis Nation British Columbia which holds provincial and federal government recognition. The vision and mission of PGMCA is to better the lives of local Métis citizens and, to date, has offered cultural programs to its local citizens. This year in an effort to bring the Métis culture to the forefront, PGMCA has decided to host a Prince George-wide event, which is sure to draw in people with the high-energy and fun style of Métis dance and music.
