

SCHOOL DISTRICT NO. 57 (PRINCE GEORGE)

April 8, 2025

MEMORANDUM

TO: Board of Education

FROM: Superintendent of Schools

SUBJECT: STRATEGIC PLAN 2021-2026

---

The District's current strategic plan of SD57 ends as of June 30, 2026. A strategic plan is the driving philosophical document of the Board of Education, often co-constructed with Rightsholders, partners and community. The current strategic plan and its foundations have been serving SD57 well.

With the next Board election cycle occurring in October 2026, it is recommended that the Board extend the current strategic plan until June 30, 2027 and develop a process to support the 2026 incoming Board to either edit, update or recreate the SD57 Strategic Plan. This extension to the current plan would allow for a four-year cycle that aligns with future Board elections and allow each incoming Board to align the Strategic Plan to their collective vision.

RECOMMENDED MOTIONS:

1. That the Board of Education extend the existing Strategic Plan to June 30, 2027.
2. That the Superintendent of Schools be directed to bring this item forward to an appropriate meeting of the Board in the 2026/27 school year with a recommended process to develop the next Strategic Plan.
